Deck entries for individual events into this meet will be accepted. Deck entries will be seeded at the SCY qualifying time for all events except the "C Session". Deck entries for the Friday session will close 45 minutes prior to the start of that evening session. Deck entries and scratches for Saturday and Sunday prelim sessions close 1 hour after the start of the evening session the day prior to the prelim session for that day's events. Saturday prelim events close Friday evening and Sunday prelim events close Saturday evening. Deck entries for Friday time finals evening session closes 45 minutes prior to the start of the session. The meet is a scratch down meet. You are entered in each event and must "scratch out" according to each day's scratch deadline in order, to not be seeded in that session's events. Failure to scratch out or to show for a prelim or finals event carries meet penalties. You may enter as many events as you are qualified for but must scratch down to no more than 3 individual events for Saturday and Sunday. Friday individual events are limited to 3 events. The maximum number of individual events for competition for the meet is 9.

The 400 IM, 500 Freestyle will be swum fastest to slowest alternating women and men heats. On Friday, the 400 IM and 500 Freestyle are timed finals events. On Sunday, the 1650 Freestyle events in prelims will be seeded together, scored separately and swum fastest to slowest alternating women and men heats. The top 8 fastest seeded times for the women and men will swim in the A heat in finals Sunday evening regardless of age. All 1650 swimmers must declare their preference of prelims or finals by the scratch deadline for the event on Saturday evening.

Championship seeding will be used for all events in preliminaries for ages 11 and over except for any time finals events or otherwise specified. All events except the "C Session" will be swum fastest to slowest unless otherwise noted.

Saturday and Sunday sessions are scratch down events with all deck entries and scratches completed the evening before each prelim session by the scratch deadline. There is no positive check in for this meet. You will be seeded based on your initial entry and must scratch out to be removed from seeding. All deck entries will be seeded according to the qualifying time for that event which is a "B" time. There are qualifying times for this meet. At least one proven qualifying time is required in order to enter the meet. Bonus entry is allowed for all additional individual events except for the 400 IM, 500 Freestyle and 1650 Freestyle where entry must be with qualifying times. In all events where preliminary heats occur, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not scratched will be barred from all further individual and relay events for that day. The application of this penalty shall pertain to the order in which the events/heats are swum, not the numerical order of the events. The meet program is not the final determinant of seeding. Late entries, corrections, or scratches may impact actual heat and lane assignments. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless the swimmer declares an intent to swim prior to the close of the scratch period for that day’s events. A swimmer qualifying for a meet final who fails to compete and who has not scratched, will be barred from further competition in the meet. A swimmer scratched into finals after the end of each prelim session may not be penalized. A swimmer who fails to appear for a final heat on the last day of the meet shall be fined \$50.00. Payment of the fine is the responsibility of the athlete and not the club or coach. Fines shall be remitted to KMSC. No penalty shall apply for failure to compete in finals if:

1. The Meet Referee is notified in the event of injury or illness and accepts the proof.
2. A swimmer qualifying for a final heat based on the results of preliminaries notifies the Clerk of Course within 30 minutes after the announcement of qualifiers that he/she may not intend to compete and confirms his/her final intentions within 30 minutes following his/her last individual preliminary event.
3. The Meet Referee determines that failure to compete was caused by circumstances beyond the control of the swimmer.

The Meet Director will initiate a registration recon report to the OKS Registration Coordinator within 5-6 days prior to the event. The report will list all registration errors for the athletes in the meet. The Meet Director will notify the attending clubs or unattached athletes of their errors. The notification of errors must be corrected or reconciled before the start of the first session in which they are listed to swim, or the athlete will not be allowed to compete until the registration is reconciled.
