Entry Limit: Swimmers may swim five (5) individual events plus one (1) relay each day. Swimmers in the "8 & Under" age group may swim in "12 & Under" age group events, but may not exceed the limit of 5 individual events and 1 relay per day.

Check-In Rule: Swimmers shall check-in during Warm-Ups for the following events:

- 12-Under 400 Freestyle
- Open 400 Individual Medley
- Open 800 Freestyle.

800 Freestyle (men and women) will be swum fastest to slowest, alternating women and men, but scored separately (13-14, Open) and limited to the top 24 men and 24 women. **Swimmers must provide their own timers and lap counters for the 800 Freestyle event.** A swimmer who fails to positive check in may be scratched from the event at the discretion of the Meet Referee.

Warm-Ups: Warm-Up lanes will be assigned. Warm-Ups will be split if necessary and teams will be advised of their warm-up times. Coaches will be notified by email of warm-up times and lane assignments.

Swimmers without a coach at the meet must check in with the Meet Referee and will be assigned a coach during the warm up portion of the meet.

Swimmers may not dive into the pool during general warm-up. Swimmers must enter the pool by stepping in feet first, or sitting and sliding in, in a safe and cautious manner. Entering in any other manner may result in the disqualification from one or more of the swimmer's events for that session at the discretion of the Meet Referee. Swimmers may dive during a designated sprint warm up. The referee will designate specific times when one-way starts may be executed.

During general warm-ups, the following MVS safety rules will apply:

- All lanes are general warm-up only;
- Circle swimming only;
- **Swimmers may not dive or jump into the pool, and may not use the starting blocks, or racing starts off pool edge during general warm-up;**
- No diving, use of the starting blocks, or racing starts off the edge of the pool.

At any time during general warm-ups, the coach of a team in control of any lane may convert the team's lane into a sprint lane by:

- Removing all swimmers in that lane from the water;
- Informing coaches in adjacent lanes;
- Informing the Safety Marshal; and
